#### **Call to Worship**

Something called us to be here today...

**We give thanks that we can gather in community.**

We could have stayed in bed,

or had a latte and a book on the deck...

**but we are here, with sisters and brothers.**

God was there on the deck too...

**but we were drawn here, together, to worship, to sing  
and say and pray our love for God; to gather at table,  
and to celebrate this community... of Faith!**

**Thanks be to God!**

Worship is ended,  
but wise people have said  
that all that we do can be worship.

**May our worship continue...**

Now let the service begin...

**but the service never ended,  
worship and service go together.**

Worship and service together...a call to us as God's people.

**Meal shared and about to be shared. Work to do.**

**Business to transact. Service celebrated. Service about  
to begin. Give God the glory. Give God the thanks.**

And know the comforting, challenging, encouraging, quieting,  
presence of God in every moment of service and worship.

Thanks indeed, to God! God of grace and glory. Amen.

**\*Choral Response 214 MV May God's Sheltering Wings**

May God's sheltering wings, her gathering wings, protect you  
May God's nurturing arms, her cradling arms sustain you,  
And hold you in her love, and hold you in her love.
